CORN VASES
BY
IMPERIAL AND SMITH
GLASS COMPANIES

COVER PICTURE

The picture on the cover of this newsletter is the Corn Vases made by Smith Glass Company and Imperial Glass Company. The Aurora Jewels is made by Imperial. The Red Carnival, Pink Carnival, White Carnival, and Amethyst Carnival was made by Smith Glass. These vases are very desirable and getting harder to find. The Red Carnival and Amethyst Carnival are the hardest to find.

The Crystal Basket and Vase, I have no idea who made them. I have never seen another Crystal Basket or Vase again. I am sure they are old.

The Smith and Imperial Corn Vases are strippled on the bottom and top of the base and both marked with the S and IG. The Crystal Basket and Vase has the Rays pattern on the bottom and smooth on the top of the base. The crystal ones are flared out at the top.
