Dear Levay Dealer:

I am pleased to present to you the four piece mini-collection in faithful reproduction of the "DRAPERY" pattern, in deep cranberry opalescent carnival. This shimmering iridescence of deep cranberry, made with gold, presents a rich plum color. Created exclusively for the ANTIQUE TRADE, it sells for \$85.00 wholesale and is sold only as a collection.

The striking pink and white opalescence blends in with the candy-stripe handles on the baskets and is another fine example of the Fenton Art Glass Company's excellent craftsmanship.

Variations of color will appear, as well as sizes of handles of baskets, this being part of the unique quality in the tradition of American handmade glassware.
