COLOR DESCRIPTIONS

Amberina	Yellow crystal shaded to red orange
Apple Green	A light green crystal (soft)
Azurite (also called antique blue milk glass) ...	A brilliant color exactly like the scarce antique blue milk glass
Cobalt Blue	Rich dark color, just like old cobalt blue glass
Iridized Glass	Mother of Pearl or rainbow effect sprayed on hot glass also called carnival glass
Milk	White milk glass, an American tradition
Milk Opalescent	Milk glass with transparent edges
Morning Glory	Like blue water, a classic color
Red	A true red, beautiful to the eye, may have traces of gold in some items
Rubina	A beautiful color that shades from red to green to blue, colored crystal at its best
Sky Blue	A pale blue, extremely popular now

Summit Art Glass is proud to present the Alamo Sesqui Centennial Commemorative Set. The molds were first used in 1936 to commemorate the 100th anniversary of the seige of the Alamo. All Americans have Texas in their hearts and it is with great pride we offer these prized collectors items of past American History. This set is offered in beautiful Cobalt Blue.

Covered animal dishes were an important part of glass making in the early 1900's. Originally they were supplied to packers for mustard, soap, tea and cosmetic products. Summit Art Glass offers an extensive line of covd animals and dishes. They are from authentic antique molds. Pick some of your favorites.
