

CLUB SOUVENIRS  
BY

This is third in a series of articles about clubs and their souvenirs.

The Texas Carnival Glass Club was created to appreciate and collect carnival glass, to educate and enlighten its members about carnival glass, historical and current significance, and to encourage a fraternal environment for exchanging ideas, sharing discoveries, and enjoying the collection of carnival glass.

The Texas Carnival Glass Club was founded in 1979 by interested carnival glass collectors from different areas of Texas.

Quarterly meetings are held in various Texas cities in the months of May, August, and November. The meetings include a business meeting, dinner, fun and fellowship. Sometimes an open house in a member's home to view their collection. An annual convention is held the third weekend in February.

The club symbol is the Ranger tumbler by Imperial.

The Ranger club newsletter is published in January, April, July, and October.

The club did not start having a souvenir until 1995.

The following are the years and souvenirs made for the Texas Carnival Glass Club.
