John, see attached advertising I noticed on eBay. Any chance this is related to the Broeker's Flour advertising plate? I haven't done any other research on it but wondered if you came across this possibility in your research.

## Life is One Damn Thing After Another

Did it ever occur to you that a man's life is full of crosses and temptations? He comes into this world without his consent, and goes out of it against his will; and the trip between the two is exceedingly rocky. The rule of contraries is one of the features of the trip. When he is little, the big girls kiss him; and when he is grown the little girls kiss him. If he is poor, he is a bad manager; if he is rich, he is dishonest. If he needs credit, he can't get it; if he is prosperous, every one wants to do him a favor. If he is in politics, it's for the pie; if he is out of politics, you can't find a place for him and he is no good to his country. If he doesn't give to charity, he is a stingy cuss; if he does, it's for show. If he is actively religious, he is a hypocrite; if he takes no interest in religion, he is a hardened sinner. If he gives affection, he is a soft specimen; if he cares for no one, he is cold-blooded. If he dies young, there was a great future before him; if he lives to an old age, he has missed his calling. The road is rocky, but man loves to travel it; and after all, there is a good deal of satisfaction, especially if you buy
