CITY OF DALLAS

December 28, 1989

John Resnik  
10031 Banner Lava Cap  
Nevada City, CA 95959

Dear Mr. Resnik:

I have copied the pages from the Houston City directories which list the E. A. Hudson Company. Please send a check in the amount of \$5.00 payable to the Dallas Public Library and directed to my attention.

The 1892 directory contains no listing and our next directory is 1897. In 1934 the company listing is the same as 1929. We then jump to 1940 which is the same as 1941. In 1943 Hudson, E.A. Transfer Warehouse is listed at 2101 Winter. Mr. Hudson is no longer associated with the company. By 1954 the company is no longer in the directory.

Good luck with your project which truly sounds fascinating.

Sincerely,

Joan L. Dobson
