Dear Mr. Resnik:

Enclosed are the copies from Ogden city directories which will give you some information about the Ogden Furniture and Carpet Company. The first listing appeared in the 1902 edition and the last listing for it was in the 1930 edition. In 1930 it was located in the Eccles Building at 385 24th St. The entry did not indicate owner, other officials, or other info. Also, you will note that some copies are particularly dark. The originals were printed on colored pages and do not copy well.

Ogden newspapers are not indexed so unfortunately I could find no other information for you. I hope the enclosed copies will be of help. Our charge is one dollar.

Sincerely,

Fran Zedney
